[REDACTED],

Didn't see you on the distribution. This is 3B4D funding for the Advanced Degree Program (ADP) and training. It is no longer sent down to us but funded at higher level.

Thanks,

All,

3B4D has been a bit complicated this FY. This Enterprise Level Program (ELP) information was forwarded to the community that executes these funds. Please use as a reference if you are asked about the ability to execute.

Thanks
